

SHAMPOO *INGREDIENTS & BENEFITS*

Benefits of Tallow

RICH IN VITAMINS, MINERALS & EMOLLIENTS

Tallow is full of fat soluble vitamins including A, D, E, & K. It is also full of anti-oxidants which reduce oxidative stress on the skin and decreases signs of aging. The rich fatty acid profile including oleic, palmitic and steric acid penetrate deeply to bring moisture to the skin for a long lasting glow.

HELPS HEAL THE SKIN

Instead of consuming collagen, tallow gives your skin the building blocks to make it. Tallow contains anti-inflammatory properties that can assist in soothing irritated, damaged or inflamed skin. Coupled with its plentiful vitamins and minerals, tallow can reverse skin damage and also be beneficial for treating eczema, psoriasis, rosacea, acne, scars, wrinkles, cuts & burns.

Benefits of Essential Oils

ROSEMARY

Improves energy levels, anti-oxidant levels and circulation. Rosemary is used to stimulate hair growth by balancing scalp oils and stimulating the circulation to the hair follicles. It also reduces inflammation, anxiety and pain. Antibiotic affects on skin as well as improving liver & digestive health.

LAVENDER

Lavender helps alleviate dandruff or prevents it. It also has a conditioning affect on hair. Antibiotic properties, prevents and heals acne, unclogs pores, reduces inflammation. Lavender is most noted for its calming, aromatic affect.

NATURALLY COMPATIBLE WITH YOUR SKIN

The chemical make up of tallow is extremely close to the natural oils produced by human skin. The similarities allow it to blend seamlessly with your skin's natural barrier, providing essential nutrients without clogging pores or causing irritation. For those with sensitive skin, tallow can be a soothing and effective option.

GERANIUM OIL

Improves the balance of sebum production, reducing acne, fading scars and promoting an even skin tone. A natural astringent, it will tighten the skin and minimize pores and wrinkles. Soothes irritated skin and protects against infections.
